

MEMORANDUM

DEPARTMENT OF HEALTH, EDUCATION, AND WELFARE

Public Health Service

HEALTH RESOURCES ADMINISTRATION

BUREAU OF HEALTH RESOURCES DEVELOPMENT

TO : Acting Director, Division of
Long Term Care

DATE: April 19, 1974

FROM : Acting Director, Division of
Regional Medical Program

SUBJECT: Orientation of DRMP staff for arthritis grant reviews

This is to acknowledge receipt of your memoranda relating to participation in our orientation program on April 22, and referral of Social Workers for technical review services. A new program has been prepared which incorporates the panel presentation on long-term care needs. Needless to say, we welcome the attendance and participation of your people in this meeting.

In the press of our discussions last Wednesday, I was unable to fully express our genuine appreciation for the counsel graciously extended by you and the members of your staff. Our need for assistance and guidance in the field of arthritis is recognized, and distinctly increases our esteem for the enthusiasm and willingness with which your Division is providing help.

Mr. Spear will be communicating with you soon for assistance with the arthritis review project.

Herbert B. Pahl, Ph.D.
